

Jokkmokk Arctic Dream

Just above the Arctic Circle lays Jokkmokk.

A beautiful destination in Swedish Lapland to spend your vacation. The forest covered in snow, the glassy lakes, the Midnight Sun during summer and the Northern Lights during winter are just a few of wonderful opportunities to enjoy during your vacation.

Also for groups we can offer a Sámi Culture Experience

About 15 km from Jokkmokk you will meet with a young Sámi woman. She and her family still live the traditional native lifestyle, based on reindeer herding.

After your arrival you will meet and greet with Anna, who will take you into the coral where you meet the reindeer from close by. You can hand feed them and make some beautiful pictures if you like.

You will be invited into the Lávvu where you can taste some Sámi snacks and coffee while Anna will tell you more about their way of life. After this impressive meeting you will return to your accommodation with memories you will never forget!
