

Jokkmokk Arctic Dream

Just above the Arctic Circle lays Jokkmokk.

A beautiful destination in Swedish Lapland to spend your vacation. The forest covered in snow, the glassy lakes, the Midnight Sun during summer and the Northern Lights during winter are just a few of wonderful opportunities to enjoy during your vacation.

Genuine Sámi Culture Experience - Unni

Visit the winter residence, meet and feed reindeer

Closeby Jokkmokk you will meet with a young Sámi woman, Anna. She and her family still live the traditional native lifestyle, based on reindeer herding.

Enjoy an hour spent gathered around the fire in the lávvu. Feel the spirituality while enjoying a cup of smoking hot coffee.

Off course storytelling in an important part during this encounter. You will meet, greet and be able to feed reindeer at close quarters. To hand-feed them is a real adventure.

Afterwards you will return to Jokkmokk, where you still have time to visit the museum Ájtte and some other handicraft shops.
