

Just above the Arctic Circle lays Jokkmokk.

A beautiful destination in Swedish Lapland to spend your vacation. The forest covered in snow, the glassy lakes, the Midnight Sun during summer and the Northern Lights during winter are just a few of wonderful opportunities to enjoy during your vacation.

Snowmobile event - lunch tour

Enjoy the ride while you share a snowmobile with your partner or friend

This is also a popular snowmobile trip in Jokkmokk. The tour will last about 4 hours, incl. lunch break.

Program;

After you have met the guide you will receive a warm overall, warm boots, warm gloves and helmet. Baklava is extra for rent if you wish, for 50 SEK.

After a short instruction how to drive a snowmobile, you will go on your way. After you feel more secure we speed up and start heading over the frozen lakes and through the snowy white forest. Depending how the weather conditions are, fresh snow or perfect flattened trails we can speed up or we must adjust to the heavy snow.

With some luck, you see reindeer crossing the trail, or even a moose might be triggered by the sound of the snowmobiles.

Halfway we will stop for a nice lunch and fresh boiled coffee, all prepared over an open fire. The break itself is already an experience to last a lifetime. The nature around you, the fresh Arctic air, beautiful midwinter colours in the sky. It will leave a deep impression if you have never experienced it before.

After this break we will head home, and you can choose to return to your accommodation or you can plan a stop in Jokkmokk for some shopping.
