

Just above the Arctic Circle lays Jokkmokk.

A beautiful destination in Swedish Lapland to spend your vacation. The forest covered in snow, the glassy lakes, the Midnight Sun during summer and the Northern Lights during winter are just a few of wonderful opportunities to enjoy during your vacation.

Summer walk with reindeer

For those who do not like to come in the winter, this is a great experience to see the reindeer so close by during the summer or autumn.

Program;

Together with the reindeer we will walk to a beautiful place out in the forest. Everything needed for the daytrip will be transported by the reindeer. The presence of these beautiful animals enriches the outdoor feeling you are about to experience.

We will make a nice fire and will enjoy a lighter meal by grilling our food. There are always 2 adults present and responsible for the reindeer you lead. Off course you can take turns leading your fluffy companion.
